Who may avail of this condonation?

- Employers who are not yet registered with the SSS.

What are the conditions?

- The employer must pay or remit the full amount of the delinquent contributions or submit a proposal to pay the same in installment within six (6) months from 1 February 2010 or not later than 31 July 2010 through any SSS Branch with tellering facility or authorized collection agent of the SSS.
- The proposal must be accompanied by the corresponding collection list (SSS Form R-3).

What happens if employer fails to pay the delinquent contributions or defaults in the installment scheme?

- In case the employer fails to remit in full the required delinquent contributions or defaults in the payment of any installment under the approved proposal within the period provided therein, the penalties are reimposed from the time the contributions first became due, to accrue until the delinquent account is paid in full.

Are there any limitations to this condonation?

- The condonation program shall apply only to penalties on unremitted or delinquent contributions due on or before 1 February 2010. Penalties on contributions falling due thereafter shall be settled as prescribed by law.
